As we all know, water in the Southwest is very precious and we all need to pitch in to keep our lives and economy healthy.

The University of Arizona Cooperative Extension's *Water Wise Program* has been helping with water conservation in Cochise County for over 12 years.

PROGRAM AREAS INCLUDE:

• *Water Wise* **YOUTH:**
Focuses on school aged students.

• *Water Wise* **INDUSTRIAL, COMMERCIAL AND INSTITUTIONAL:** *Assists the business community.*

• *Water Wise* **RESIDENTIAL:**
Assists the residential community.

• *Water Wise* **ENERGY SMART:**
Works exclusively on Fort Huachuca.

Water Wise is recognized by Cochise County, the City of Sierra Vista, Fort Huachuca and the Upper San Pedro Partnership as a critical component of their water conservation efforts.

BUT WE CAN'T DO IT WITHOUT YOUR HELP.

As a supporter of the Water Wise Program...

- You are helping Fort Huachuca keep the economy strong by meeting its water conservation goal.
- You are a wise user of natural resources.

• The community will know you are doing your part because we will publicize your name.

There are many outreach materials that Water Wise produces. In 2006, Water Wise distributed over 17,000 material pieces to residents county-wide. Your name could be on these.

If you would like to help support Water Wise, choose the level of sponsorship that is best for you. Your sponsorship is tax deductible to the fullest extent of the law.

Thank you for considering our sponsorship request and for helping Water Wise remain a strong water conservation educational program serving our community.

YES! I would like to be a sponsor of the *Water Wise* Program.

Enclosed is my check made payable to: **The University of Arizona ~ ~ *Water Wise*.** In the amount of:

\$ _____

Please mail your check to: Cochise County Cooperative Extension
Attn: Water Wise
450 S. Haskell • Willcox, AZ 85643
