#### 8<sup>th</sup> Annual Agricultural Production Short Course

**“Biotechnology: Plant-based delivery systems for the future”**

*Presented by:* **Dr. Charles Arntzen**

*Florence Ely Nelson Presidential Chair in Plant Biology, Arizona State University, Founding Director of the ASU Biomedical Institute, President/CEO Emeritus of the Boyce Thompson Institute for Plant Research, Inc.*

**Dr. Arntzen's primary research interests are in plant molecular biology and protein engineering and utilization of plant biotechnology for enhancement of food quality and value for overcoming health and agricultural constraints in the developing world. Dr. Arntzen is a pioneer in the development of “edible vaccines” targeted for health improvement in developing countries.**

**Wednesday - September 5, 2001 - 2:00 p.m. to 3:00 p.m.**

Maricopa County Cooperative Extension Office  
4341 E. Broadway Road  
Phoenix, AZ 85040
