

Desert Horticulture 98

May 29

Last year we honored Dr. Warren Jones and Dr. Charles Sacamano, two outstanding individuals who have contributed much to Arizona horticulture. We also featured new trends in nursery production (recycling, compost as a container medium component, containers-in-containers, and mycorrhizae), wetlands (environmental regulations, design, and plant availability) and maintenance (design for low maintenance, basic soils, and transplanting guidelines). Finally, we made a special effort to obtain outstanding speakers for our Spanish session. **Desert Horticulture 98** concluded with a [tour of the plants of the University of Arizona campus](#).

Program

7:30 Registration

New Trends in Nursery Production

8:00 **Total Recycling in the Nursery**
Walter Suttle, Monrovia Nurseries, Oregon

Using Compost Products in Nursery Crop Production
George Fitzpatrick, University of Florida Cooperative Extension

9:30 Break

Wetland Restoration

Constructed Wetlands Environmental Regulations
James Tress, Jr., Westland Resources, Tucson

Wetlands Design
Peter Livingston & Scott Bailey, Westland Resources, Tucson

Wetland Plant Availability
Laurie Rink, Aquatic & Wetland Co, Colorado

Break

Balanced Maintenance

Inscripciones

Programa en Español

Prácticas de Conservación de Agua (Water Conservation Practices)
Anai Padilla, El Paso Water Utilities

Sistemas de Riego: Reparación y Nueva Tecnología (Irrigation Systems: Troubleshooting and New Technology)
Rob Call, University of Arizona

Receso [10:00]

Designs

10:00 **Growing Container-in-Container**

Doug Temple, Tawakoni Plant Farm, Texas

New Roles for Mycorrhizae in Container Production

Michael Evans, Tree of Life Nursery, California

Designer's Perspective

Judy Mielke, Logan Simpson Design, Tempe

Installer/Maintainer's Perspective

Dave Hutchinson, The Boulders Resort, Scottsdale

Rescate y Transplante de Arboles (Salvage & Transplanting Trees)

[10:30]

Gerardo Uribe, Desert Care Landscape, Phoenix

11:30 **Lunch**

Comida

Heros in Arizona Horticulture

1:00 **Thirty years of Plant Introduction**

Warren Jones, University of Arizona (retired)

Landscape Projects along the Pacific Coast of Mexico

Charles Sacamano, University of Arizona (retired)

2:30 **Break**

3:00 **Guided Tour: Plants of the University of Arizona Campus**

Maintenance

Basics of Urban Soils

Jeff Silvertooth, University of Arizona

New Tree & Shrub Planting Guidelines

Jimmy Tipton, University of Arizona

Break

Programa en Español

Diseño e Instalación de Sistemas de Iluminación Exterior (Design and Installation of Outdoor Lighting)

Francisco Delgado, Pima Community College

Identificación de Plantas (Landscape Plant Materials)

Cesar Mazier, Desert Botanical Garden, Phoenix

Receso [3:00]

Excursión con Guia de las Plantas de la Universidad de Arizona

Sponsors

We depend upon industry sponsors to keep our registration costs reasonable (currently \$35 to \$55). If you would like to become a Desert Horticulture sponsor please contact [Libby Davison](#) at 520-621-1582.
