Dear Alumni and Friends,

On behalf of the Norton School of Family and Consumer Sciences’ Council of Alumni and Friends, I’d like to extend an invitation to the annual **Homecoming Awards & Scholarship Luncheon on Friday, October 28th, 2016**.

The Homecoming Luncheon is always a great way to reconnect with fellow alumni, and the Norton School faculty, past and present. In addition, guests will have the opportunity to meet the 2016 FCS Council Alumni and Faculty Award winners and scholarship recipients. Council scholarships are made possible through the generosity of alumni and friends of the Norton School. Please consider making a contribution to the Council’s Scholarship Fund.

In addition to the Scholarship Fund, the Council is pleased to announce a fundraising campaign to support the Norton School’s Frances McClelland Institute for Children, Youth and Families (FMI). The Institute’s research focuses on the development and well-being of children, youth and families, with the goal of enhancing the lives of the people of Arizona and the world. Please join us for a presentation on the Institute’s current research, prior to the Homecoming Luncheon.

This year we are delighted to acknowledge the contributions of Dr. Amy Jean Knorr to the Norton School as we celebrate her 100th birthday. Dr. Knorr served on the Norton School faculty as a professor of Home Economics Education from 1970 to 1984, providing an exceptional educational experience to hundreds of students. Amy Jean has been a strong supporter of the Frances McClelland Institute since its inception. We hope you will consider a donation to the Council’s Frances McClelland Institute Endowment fundraising campaign to honor Amy Jean’s support of the Institute and the Norton School.
