

## Spring 2011 Priority Registration Status

If you are currently enrolled in any of the following pre-requisite courses at an institution other than The University of Arizona, you must complete and submit the attached form to the Norton School's Student Services Center as soon as possible but no later than Friday, October 1<sup>st</sup>, 2010. Don't forget to attach your unofficial transcript from the other institution(s) as proof of current enrollment status in:

ACCT 200 (ACCT 101 at Pima)

ACCT 210 (ACCT 102 at Pima)

MATH 115A (MAT 173 at Pima)

MATH 115B (MAT 174 at Pima)

ECON 200 (ECON 200 at Pima)

STATISTICS (e.g., BUS 205 or PSY 230 at Pima)

RESEARCH METHODS (e.g., PSY 289 at Pima)

Unless you submit these documents, the new Mosaic system will not allow you to register for any RCSC courses that have these pre-requisite course requirements. The system has no way to recognize your current enrollment in equivalent courses at other institutions. Therefore, we need your submitted documents in order to override the Mosaic system and give you registration access to all related RCSC courses during Spring 2011.

Please assist us by communicating this message to all of your RCSC friends and classmates.

**If you have taken all of your pre-requisites at the University of Arizona then you do not need to submit this form.**

Priority Registration begins on October 11<sup>th</sup>. If you are currently a sophomore or junior in the RCSC pre-major then you must sign up immediately for a priority registration appointment with Meredith Parker at

<http://cals-cf.calsnet.arizona.edu/fcs/RCSCOrientation/>

If you are a freshman you must sign up for an advising session with Dr. Maureen Kelly by October 4<sup>th</sup> the latest at
