The Fun, Fun, Fun, Educational Workshop is an exciting opportunity to learn quick and easy ways to build teamwork among clubs. These 10-30 minute activities require little or no preparation and are easy to incorporate into your meetings. They're often helpful while you're waiting for people to arrive or even when your members need something to do during that "in-between time."

This workshop is open to the first 30 registers. We strongly encourage adult leaders, junior leaders, & recreation officers to attend. It would be ideal for a club to send 1 leader/parent and 2 youth members.

Adults, please complete **ALL** fields for you & your clubs' attendees. Be sure to turn in your form to the 4-H Office by noon on March 27, 2009. Early registration is \$5.00 **PER PERSON**, registrations received after 3-27-09 will cost \$10.00 **PER PERSON**.
