

VOLUNTEERS CERTIFIED THROUGH OTHER AGENCIES

Arizona 4-H Youth Development values volunteers who work to provide quality educational programs in safe environments for youth. As a part of a volunteer development system, all 4-H Youth Development volunteers must complete an application screening process.

Volunteers who come to work in the 4-H Youth Development program from other youth serving agencies (i.e. schools, Parks and Recreation Departments, Girl Scouts, Boys' and Girl's Clubs, etc.) must complete the application form. If such volunteers have been screened and have references on file, they will not need to complete those parts of the process with us.

Please complete the form below to validate these volunteers. We appreciate your help!
