

**Clover Ride Committee:**

The committee who works on this event has a true interest in assisting the Pinal County 4-H scholarship program. This group plans and organizes a motorcycle ride in February. This event includes the ride, sponsorships of ride stops, arranges a BBQ lunch for bikers and 4-H supporters, and a silent and live auction. This event is held at the University of Arizona Maricopa Agricultural Center in the town of Maricopa, in Pinal County. Support is given by several motorcycle shops and small business owners in the county.
