

Hello School IPMers and interested others,

The next Children's Environmental Health Coalition meeting will be held Thursday December 7th, 9 am – 12 pm. Among the topics to be addressed:

- ❖ Management strategies for roof rats
- ❖ SB1350 - the new law which becomes effective January 2007 and governs pesticide use notification in child care and school facilities.

Additional noteworthy topics or research that arises in the interim will also be addressed. Please let Dawn or Jennifer know if you plan to attend!

Thanks all,

Dawn and Jen
