Behavioral Guidelines

Families and other youth-serving programs place trust in the Cooperative Extension Service (CES) to provide quality leadership in a safe environment for participating youth. The opportunity to work with youth is a privileged position of trust that should be held only by those who are willing to demonstrate behaviors that fulfill this trust. For these reasons, the following behavior guidelines are provided for volunteers working in the Cooperative Extension 4-H Youth Development Program.

1. Work cooperatively with youth, families, other volunteers, Cooperative Extension faculty and staff and others in a courteous, respectful manner demonstrating behaviors appropriate to a positive role model for youth. Any type of harassment or hazing cannot be tolerated. Keep the best interests of youth and families as a priority.

2. Represent the University of Arizona Cooperative Extension 4-H Youth Development program with pride and dignity. Obey the laws of the locality, state, and nation.

3. Comply with equal opportunity and anti-discrimination laws. Make all reasonable effort to assure that 4-H Youth Development programs are accessible to youth without regard to race, color, national origin, sex, religion, sexual orientation or disability.

4. Recognize that verbal and/or physical abuse and/or neglect of youth is unacceptable in 4-H Youth Development programs; refrain from physical or verbal abuse. Incidents of reported, suspected or observed abuse should be reported immediately to law enforcement or Child Protective Services.

5. Treat animals humanely and teach 4-H youth to provide appropriate animal care.

6. Operate motor vehicles (including machines or equipment) in a safe and reliable manner when working with 4-H youth, and only with a valid operator's license and the legally required insurance coverage

7. Abide by the same rules as the youth regarding no use of alcohol, tobacco products and drugs at a 4-H Youth Development function nor allow youth participants under supervision to do so.
