## Information

- Annual meeting will be very interactive. Be prepared to have some fun learning with your fellow applicators and pest control advisors.
- **Pest Control Advisors** are required to obtain 15 CEU’s per year of renewal.
- **Commercial Applicators** are required to obtain 6 CEU’s per year of renewal.
- **Private Applicators** are required to obtain 3 CEU’s per year of renewal. However, with **Fumigation Certification**, private applicators must obtain an additional 3 CEU’s per year of renewal with 1 of those CEU’s being in Fumigation (6 CEUs total).
- Certifications, licenses and permits are renewable for a 1 or 2 year period, provided enough CEU’s have been obtained.
- **PUP’s, PUC’s and PCA’s** are able to count CEU’s obtained between January 1 through December 31.
- Certifications, licenses and permits expire on December 31 and must be renewed within 30 days.
- If you do not obtain the CEU’s required to renew your certification or license by December 31—you must retest at one of our office locations in Phoenix, Tucson or Somerton.

If you have any questions please contact the Arizona Department of Agriculture at 602-542-0904 or any of the other numbers listed on this brochure.
