Who inspired you to be a Wildcat? Chances are someone supported your dreams and helped you envision yourself where you are today. Now you too can inspire the college aspirations of low-income, minority and first-generation students earlier in the college pipeline. Through working with these students you will be helping to ensure that more and more first-generation college students attend and succeed at Arizona universities for years to come.

We’re seeking UA students with an interest in leading fun and educational activities for elementary school students one evening per week during the Spring 2020 semester. Highlights for the College Camp Leader position include:

College Camp Leader

The Office of Early Academic Outreach seeks UA students to lead College Camp, a weekly evening program for Sunnyside Unified School District children in grades K-6. Camp Leaders will facilitate an interactive educational curriculum designed to get students thinking about college and to strengthen their academic skills. The children’s parents attend College Academy for Parents, a concurrent program facilitated by UA staff and professors, to learn how to prepare their children for a university education starting in elementary and middle school. In the spring semester of 2020, the program will be offered at Apollo Middle School to families with children at all Sunnyside Unified School District elementary schools.

College Camp Leaders benefit from participation by:

- Strengthening presentation skills
- Learning about interaction with young children in a classroom setting
- Serving as important role models for elementary school students who may have limited contact with college students/graduates
- Meeting other service-oriented Wildcats while building a strong résumé
- College credit for internships may also be arranged with approval of your academic department

Minimum requirements:

- Cover Letter & Resume
- Interest in working with elementary school children
- Availability to lead camp 5:30-8:30 p.m. on WEDNESDAY evenings from February 5 to May 6, 2020
- Commitment to assist with two Saturday UA campus visits in March 14 and April 4
- Ability to spend approximately two additional hours per week for preparation and staff meetings
- Minimum 2.5 GPA
- Approved background check, once hired

Additional preferred qualifications:

- Bilingual English-Spanish (at least half of the camp leaders will need to be bilingual)
- Experience with K-6 children
- Significant community service experience
