MINOR INFORMATION

FSHD is a great minor for students who are interested in understanding human development, and improving the quality of life for individuals, couples, families, and communities.

Minor Requirements:

- 18 total units, 9 units must be upper division (300-400 level)
- The FSHD Minor may be fulfilled through any combination of FSHD coursework, and some FCSC coursework
- FSHD 117 (or an equivalent course) is a prerequisite to many upper division FSHD courses, so 117 is a recommended beginning course for all FSHD minors
- All prerequisites are monitored by FSHD Faculty. If students do not have the proper prerequisite coursework, instructors may remove students from a course. If you have questions about your prior coursework and eligibility to enroll, contact an FSHD advisor or the professor teaching the course

Minor Policies:

- Interested students must complete an FSHD Minor Information Session and Quiz Online. **A 2.0 GPA is required to declare**
- 6 units of experiential coursework may apply to the minor (preceptorship, independent study, research, practicum)
- A 2.25 GPA is required to enroll in research credit
- A 2.25 GPA and completion of at least one FSHD course is required to enroll in practicum credit
- Courses used in the FSHD Minor may not be applied to a student's major or second minor. FSHD Minor courses may be used toward the pre-major section of a student’s major degree plan (for example, FSHD 117 or FSHD 200 can be used toward pre-nursing requirements and the FSHD Minor)
- FSHD 150B1 cannot be used in the FSHD Minor

Enrollment Information:

- Minors are **encouraged to take summer coursework** to complete the FSHD Minor, since minors are not guaranteed seats in FSHD courses during the fall and spring semesters
- When enrolling for fall and spring semesters, FSHD minors must wait to enroll in all FSHD courses during **open registration**
- Practicum is offered in summer, students must apply to enroll: http://cals.arizona.edu/fcs/fsfd/internships/practicum
- FSHD Minors cannot enroll in courses offered through the Yuma Distance Campus
