EDUCATION

- 1987 Diploma, Fine Arts, Emily Carr College of Art
- 1998 B.A. with Honors, Psychology, Simon Fraser University
- 2002 M.A., Psychology, Stanford University
- 2004 Ph.D., Psychology, Stanford University
Dissertation: *Interpersonal Emotion Regulation*
Advisor: James Gross, Ph.D.

EMPLOYMENT AND AFFILIATIONS

- 2012-present Associate Professor, Division of Family Studies & Human Development, University of Arizona
- 2006–2012 Assistant Professor, Division of Family Studies & Human Development, University of Arizona
- 2014 –present Member, Cancer Prevention and Control Program, University of Arizona Cancer Center.
- 2007-present Affiliated Faculty, Statistics Graduate Interdisciplinary Program, University of Arizona
- 2007-present Affiliated Faculty, Psychology Department, University of Arizona
- 2003–2006 Project Coordinator, Psychology, University of Arizona
- 2003–2006 Post-doctoral Research Associate, Psychology, University of Arizona
- 2002–2003 Statistical Consultant, Psychology, Stanford University

HONORS AND AWARDS

- 1997 Simon Fraser University Psychology Alumni Honors Prize.
- 1998 National Science Foundation Graduate Research Fellowship.
- 1998 Simon Fraser University Dean's Silver Medal.
- 1998 British Columbia Association of Clinical Psychologists Certificate of Merit.
- 2003 Wisconsin Symposium on Health and Emotion Travel Award.
- 2004 Western Psychological Association Student Scholarship.
- 2007 Travel Award, NIA and OBSSR Research Workshop on Aging
- 2010 Bart Cardon Early Career Teaching Award, College of Agriculture & Life Sciences

SERVICE AND OUTREACH

Extramural: National/International Service

- 2008 – 2011 Member, Program Committee for the annual meeting of the Society for Psychophysiological Research.
- 2010 – 2011 Chair, Local Organizing Committee for the 2011 International Association for Relationship Research Mini-Conference
- 2011 – 2012 Guest Editor, Special issue of the *Journal of Social and Personal Relationships (Health, Emotion, and Relationships)*
- 2011 - 2013 Guest Editor, Special issue of *Frontiers in Psychology (Cultural Clinical Psychology)*
- 2011 - 2013 Consulting Editor, *Assessment*
- 2013 - 2017 Associate Editor, *Emotion*
- 2014 Co-Chair, Organizing Committee for the international workshop on computationally intensive modeling of dynamic social interaction.
- 2014 - current Editorial Board, *Journal of Social and Personal Relationships*

Session Organizer for National Conferences

- 2009 Society for Personality and Social Psychology. *Temporal interpersonal emotion systems; The “TIES” that form relationships.*
- 2011 Society for Psychophysiological Research. *Physiological linkage: What it is, when it occurs, and why it matters.*

Ad Hoc Reviewer for Scholarly Journals

American Psychologist, Assessment, Biological Psychology, Body Image, Brain Sciences, Cognition and Emotion, Current Directions in Psychological Science, Developmental Psychology, Emotion, Emotion Review, International Journal of Behavioral Development, International Journal of Culture and Mental Health, International Journal of Psychology, International Journal of Psychophysiology, Journal of Counseling Psychology, Journal of Cross-Cultural Psychology, Journal of Experimental Social Psychology, Journal of Family Psychology, Journal of Health Psychology, Journal of Personality, Journal of Personality and Social Psychology, Journal of Psychophysiology, Journal of Social and Personal Relationships, Motivation and Emotion, Personal Relationships, Personality, Personality and Social Psychology Bulletin, Psychiatry Research, Psychological Science, Social and Personality Psychology Compass, Social Psychological and Personality Science, Stress and Health

Grant Reviews

National Science Foundation: March, 2008; September, 2012; March, 2015; September, 2015
Swiss National Science Foundation: November, 2011.
Israel Science Foundation: January, 2013
Research Council, KU Leuven: March, 2013.

Promotion and Tenure Reviews

University of Utah, 2015, promotion to Full Professor
Marquette University, 2016, promotion to Associate Professor with tenure
Rutgers University, 2016, promotion to Associate Professor with tenure

Extramural: State (Arizona) Service

Outreach Presentations

- 2006 Butler, E. A. (2006, August). Love, anger, and food; Emotional processes in families coping with obesity. Talk presented at the 4th Annual FCS/NCS Annual Conference, Tucson, AZ.
- 2007 Butler, E. A. (2007, February). Interpersonal emotion regulation and how to develop a study. Presentation given to the Family, Youth, and Community Extension Scholars Program, Tucson, AZ.
- 2008 Butler, E. A. (2008, June). Love, anger, and food: Marital processes that promote obesity. Talk presented to the Extension Food and Nutrition Education Program, Tucson, AZ.
- 2014 Butler, E. A. (2014, September). Relationships, emotion, and body weight. Talk and discussion session for the Body Smart student group, University of Arizona.
- 2016 Butler, E. A. (2016, October). Love, anger and food. Talk presented at the annual Family Studies & Human Development Homecoming luncheon, University of Arizona.

Intramural: University of Arizona Service

- 2007-2012 Chair, "Health, Emotion, and Relationships" research initiative. (Responsibilities: Organize and facilitate cross-disciplinary research activities, including regular research symposiums, invited speakers, and one-time collaborative meetings with attendees from University of Arizona and Arizona State University. > 25 members)
- 2009 Member, Social Science Statistics Task Force
- 2013-2015 Member, Dean's Research Advisory Committee, College of Agriculture and Life Sciences
- 2014-present College of Agriculture and Life Science representative for the Mechanisms of Emotion, Social Relationships and Health (MESH) Leadership group.
- 2016-present Member, Graduate Council, University of Arizona

Intramural: Division of Family Studies & Human Development Service

- 2006-present Statistical consulting to faculty and students.
- 2006 Member, Ad hoc committee for Undergraduate Curriculum.
- 2006-2008 Consulting to the Institute for Children, Youth, and Families on laboratory design and equipment purchase.
- 2007-present Member, Steering committee for the Institute for Children, Youth, and Families.
- 2008 Member, Search committee - Information Technology Assistant.
- 2008 Member, Search committee - ICYF Program Coordinator.
- 2010 Member, Search committee – Statistics Lecturer.
- 2009 Chair, FSHD Human Subjects committee.

2009	Member, Search committee – Research Faculty Position
2009-present	Member, FSHD Graduate committee and Graduate Admissions.
2013-2015	FSHD Graduate Director
2014	Temporary Member, Promotion and Tenure Committee
2014-2015	Temporary Member, Graduate Admissions Committee
2016-present	Human Subjects Scientific Review
2016-2017	Co-chair, FSHD Associate Professor hiring committee
2016-2017	FSHD Graduate Director

PUBLICATIONS

Work done by Butler as a graduate student

** Graduate student collaborator

* Undergraduate student collaborator

Peer Reviewed Journal Articles (total number = 41)

Citation counts are based upon Web of Science; Total citations = 1,333; H-index=14

- ** Flores, M., Ruiz, J. M., Goans, C., **Butler, E.**, Hirai, M., & Smith, T. W. (March, 2017). Ethnic differences in social networks and support: Measurement considerations, and implications for disparities research. Poster presented at the Annual Meeting of the Society of Behavioral Medicine, San Diego, CA.

EXTERNAL FUNDING

Examining social rhythms and sleep as mechanisms for weight gain after job loss. *National Institutes of Health*, 9/2014-8/2019. Total amount \$3,101,435. Co-I (with Dr. Haynes).

Workshop on computationally intensive modeling of dynamic social interaction. *National Science Foundation*, 9/2014-8/2015. Total amount \$49,998. PI.

Computational temporal interpersonal emotion systems (CompTIES) (BCS-1322940). *National Science Foundation*, 8/2013-8/2016. Total amount \$399,246. PI.

Surviving breast cancer: The dynamics of inflammation, emotion, and family (RSG-13-020-01 – CPPB), *American Cancer Society*, 01/2012-12/2015. Total amount \$408,319. PI.

Relationships, emotion, and eating: A dynamic systems investigation of weight gain (R21HL109746-01A1), *National Institutes of Health*, 6/2012-12/2014. Total amount \$404,864. PI.

Cultural similarities and differences in meanings and consequences of advice. *National Science Foundation*, 08/01/10-07/31/13. Total amount \$250,046. Consultant.

INTERNAL FUNDING

Relationships, emotion, and eating. *McClelland Institute for Children, Youth, and Families*, 5/2009-5/2010. Total amount \$4,500. PI.

Love, anger, and food: A biopsychosocial investigation of obesity. *Agricultural Experiment Station, College of Agriculture, University of Arizona*, 2006-2010 (~ \$5,000 and Research Assistant support). PI

Interpersonal emotion regulation. *Anderson Foundation*, 1/2003 – 9/2003. Total amount \$1,000. PI

Interpersonal emotion regulation. *Stanford University Graduate Research Council*, 1/2003 – 9/2003 (\$1,500). PI .

FUNDING APPLICATIONS SUBMITTED

Building capacity for inferring facial communication from video data. *University of Arizona, Accelerate for Success*, 7/01/2017 – 6/31/2018, Total amount requested \$88,677. Co-I (PI. Dr. Barnard) (under review).

Testing family biofeedback to improve teen emotion regulation and prevent substance use. *National Institute on Drug Abuse*, 9/01/2017 – 8/31/2020. Total amount requested \$729,000. Co-I (PI. Dr. Lansing) (under review).

Response system coherence in emotion: Its nature and implications for individuals' well-being. *National Science Foundation*, 9/1/17-8/31/21. Total UA budget \$205,164. UA PI, .5 person-months (with UC Berkeley PI Dr. Mauss)(under review).

Co-regulation of emotion in marriage: Basic processes and living with cancer. *National Cancer Institute*, 09/1/2017-08/30/2021. Total UA budget \$408,127. UA PI, 1.35 person-months (with ASU-PI Dr. Shiota, Arizona State University)(not funded).

Computational infrastructure for affective science (CIFAS), *National Science Foundation*, 6/1/17-5/31/20. Total amount requested \$159,955. Co-I, .35 person-month (with PI Dr. Barnard) (not funded)

Horse-human interaction as an experimental context for studying coregulation. *National Science Foundation*, 1/15/2017-1/14/2020. Total amount requested \$425,779. PI, .25 person-month (with Co-I's Barnard and Sbarra).(not funded)

Computational infrastructure for dynamic systems modeling. *National Science Foundation*, 01/01/2017-01/01/2019. Total budget \$1,318,985. Co-I (with PI Dr. Barnard). (not funded)

Theory driven Bayesian modeling as a framework for studying teamness. White paper submitted to the *Defense Advanced Research Projects Agency (DARPA)*, 12/1/2016-05/1/2018. Total budget \$500K. Co-I (with PI Dr. Barnard) (not funded)

Theory driven Bayesian modeling and inference of relationships, mental states, and social contexts as exhibited in social media. White paper submitted to the *Multidisciplinary Research Program of the University Research Initiative (MURI)*, 12/1/2015-12/1/2020. Total budget \$6.25K. Co-I (with PI Dr. Barnard and Co-Is Chentsova, Ramanan, & Surdeanu)(not funded)

Co-regulation of emotion in marriage: Basic processes and living with cancer. *National Cancer Institute*, 09/1/2015-08/30/2019. Total UA budget \$327,908. UA PI (with ASU-PI Dr. Shiota, Arizona State University)(not funded).

Mindful modeling of emotional dynamics and social relationships to predict health. *National Institute of Aging*, 10/1/14-9/30/16. Total amount requested \$275,249. PI (with Co-I Dr. Barnard) (not funded).

Affective empathy: Stimulus modality, effects of oxytocin, psychopathology links. *National Institute of Health*, 07/1/2014-06/30/2019. Total UA budget \$334,067. UA PI (with Co-PIs, Dr. Shiota, ASU and Dr. Mendes, UCF) (not funded).

The stress response system as a mechanism of calibration to the environment. *NIH Basic Behavioral and Social Sciences Opportunity Network (OppNet)*, 10/2012-10/2015. Total amount requested \$1,436,593. Co-I (with Dr. Ellis) (not funded).

Career: Modeling temporal interpersonal emotion systems (TIES). *National Science Foundation*, 2/2012-1/2017. Total amount requested \$501,754. PI (not funded).

Scientific meeting support grant for the International Association for Relationship Research 2011 Mini-Conference. *American Psychological Association*, 10/2011. Total amount requested \$6,300. PI, (not funded).

Is your marriage making you gain weight? An investigation of family systems and obesity. *Marchionne Foundation Small Grants Program*, 08/01/10-06/01/11. Total amount requested \$37,083. PI, (not funded).

Developing an integrated model of relational, emotional, and physiological mechanisms underlying eating and activity. *National Institute of Mental Health*, 9/2009-9/2011. Total amount requested \$574,113. PI (not funded)

The social cybernetics of behavior change. *National Institute of Mental Health*, 9/2009-8/2014. Total amount requested \$2,472,904. Co-I (not funded)

Love, anger, and food: Marital processes that promote obesity. *US Department of Agriculture*, 9/2009-8/2012. Total amount requested \$489,784. PI, (not funded)

Love, anger, and food. Emotions in couples coping with obesity. *University of Arizona Faculty Small Grants Program*. 2006 & 2008 (not funded).

RESEARCH INTERESTS

Interpersonal emotion systems and regulation

Dynamic systems modeling of emotional processes in close relationships

Relationships, emotion, and health (obesity, cancer survival)

Social and physiological consequences of emotion regulation

COURSES TAUGHT

Undergraduate

FSDH 257: Dynamics of Family Relationships (regular and honors sections)

Graduate

FSHD 507A: Research Methods (Core course)
FSHD 537A/L: Introduction to Statistics (Core course)
FSHD 617C: Multilevel Modeling (Seminar)
FSHD 617A: Structural Equation Modeling (Seminar)
FSHD 602: Relationships, Emotion, and Health (Seminar)
