Dear Norton School Alumni and Friends,

Greetings! We are proud alumni of the Norton School of Family and Consumer Sciences and faculty at the University of Arizona. We are also members of the Norton School Council of Alumni and Friends. From the time when we were students to now, we have seen the positive impact the Council brings to the Norton School.

The mission of the Council is to support the programs and objectives of the Norton School of Family and Consumer Sciences through:

- Student Scholarships (over \$10,000 awarded annually!)
- Graduation/Homecoming Celebrations
- Faculty/Staff Luncheons & Special Receptions
- Faculty & Alumni Recognition
- Fundraising

You, as an alum of the Norton School, are automatically a part of the Council of Alumni and Friends and are welcome to participate in our activities and events, but we would like you to think about doing a little more.

We invite you to become actively involved as a Supporting Member of the Norton School Council of Alumni and Friends. As a Supporting Member, you will have a voice to share your opinions and ideas and have a vote in the decisions being made. You will have unique opportunities to participate in programs and activities the Council sponsors. And, you will have an immediate impact on students through your annual charitable gift of \$25 or more that will go towards our service to the Norton School. In these especially difficult times, our students can use your support more than ever.

Whether you live in Tucson or Timbuktu or anywhere in between, or whether you just graduated or are celebrating your 60th reunion, there is a place for you here on the Council as a Supporting Member.

So, join us as a Supporting Member and get involved and give back to make a difference in the lives of our students – it's easy! Just complete and mail the enclosed application and a check for \$25 payable to UA Foundation/FCS Council to:

Jim Hunt, FCS Council Membership Coordinator
650 N Park Avenue
Tucson, AZ 85721-0078

Or, you can go online to <https://give.uafoundation.org/family-consumer-science> and make a gift of \$25 or more. Your donation helps the council continue the work of supporting students, hosting events (such as homecoming), and bringing increased awareness to the work of our faculty, staff and students.

Thank you, we look forward to having you with us! Go Cats!

Sincerely,

Janice Shelton
