5th Annual University of Arizona Food Safety Conference

Food Safety and One Health
Friday, October 10, 2014
8:00 am – 5:00 pm
Westward Look Wyndham Grand Resort
Santa Catalina Ballroom

You, your students and colleagues are invited to attend the fifth annual University of Arizona Food Safety Conference, sponsored by the UA Food Safety Consortium. The 2014 Conference strives to align the consortium with the growing One Health movement and investigate approaches to food safety research which have a broader focus that includes multiple disciplines and addresses animal and environmental well being as well as human health outcomes. Researchers attending the conference will have the opportunity to interact with stakeholders and learn of current food and water safety concerns and research needs.

The 2014 Student Poster Session for presentation will highlight current Food Safety research at the University and will include valuable cash prizes for the top posters.

Distinguished Speakers:
• Perry J. Durham, DVM
  State Veterinarian, Arizona Department of Agriculture
• Paula Kahn-Rivadeneira
  Assistant Professor & Extension Specialist, Food Safety and Wildlife
• Graham Briggs
  Pinal County Public Health Epidemiologist

Registration Rates (for full day, including continental breakfast, lunch and breaks):
$90 through early registration deadline of Sep. 17th
$100 September 17 to October 1
$75 Student Rate

A limited number of registration support scholarships are available for student attendees. Funding assistance requests should be made to Debbie Reed dlreed@email.arizona.edu.

Discounted Room Rates at the Westward Look Resort: $149 plus tax per night, no resort fee, must contact 800-722-2500 to book; block ends Sep. 9th.

For more information contact Debbie Reed:
Email: dlreed@email.arizona.edu
Phone: (520) 626-7107
For Registration Materials: http://cals.arizona.edu/fsc

New this year:
We will be hosting a lightning talk session for consortium members to present short (3 min, 1 slide) presentations on their work to facilitate research and funding collaborations. Please indicate on your registration form if you would like to present a lightning talk and you will be provided further information.
