Natural Resource Conservation Workshop for Arizona Youth
June 24 - June 28, 2013 James 4-H Camp

An exciting opportunity for you to explore the great outdoors and experience the thrill of a unique adventure. The 50th Annual Natural Resource Conservation Workshop for Arizona Youth is an interactive camp bringing together the latest in science and natural resource technology.

Mingus Mountain, in the Prescott National Forest, is the setting for learning about water, soils, plants, and other natural resources. You will discover nature by conducting experiments and completing outdoor projects. This is a hands-on workshop! Youth will have many opportunities to discuss and debate natural resource and management issues. Various group activities such as fishing, hiking, swimming, volleyball & horseshoes will be available during your free time.

Highlights
- Learn lifelong skills and create lifetime friendships.
- Explore and study Arizona’s forests, streams, rangelands, soils, plants, and wildlife with expert instructors who will intrigue and challenge you!
- Lots of small group learning activities in the forests of the Prescott National Forest.
- Gain hands-on experience with hi-tech equipment, field testing, data collection and project design.
