present

Inspection Training & Certification Workshops

May 28-29, 2003
4-H Building, Former Rodeo Grounds
Prescott, AZ

and

May 30-31, 2003
Maricopa Agricultural Center
Maricopa, AZ
Whether you are an experienced industry professional or starting out, you will find a great deal of value in this NAWT Inspection Training and Certification workshop based on the Arizona Onsite Rule. Your successful completion of the 2-day workshop and certification test will result in your name being listed as a NAWT certified inspector. This list is posted on the NAWT website and visited by property owners and Realtors engaged in the Arizona Transfer Inspection Program under A.A.C. R18-9-A316.

Instructors:  David Gustafson, P.E., James Anderson, Ph.D.

Where:  May 28-29: 4-H Building, 828 Rodeo Dr. (former rodeo grounds), Prescott, AZ  
May 30-31: Maricopa Agricultural Center, 37860 Smith-Enke Road, Maricopa, AZ

Meeting Times:  8:00 a.m. - 5:00 p.m. all days.

Policies:  You must attend both days (unless recertifying). You must preregister and prepay fees for the course. No onsite registrations accepted. Registration will be confirmed upon receipt of fees. Cancellations within one week of workshop will result in half refund of fee paid.

Day 1 Agenda
Introduction to Onsite Wastewater Treatment Systems
Terminology
Basic system understanding
Onsite tanks
Inspections, repairs/maintenance, safety
Soil treatment systems
Septage treatment methods
Land application and treatment plans

Day 2 Agenda
