FOOD SAFETY PARTNERSHIP

A partnership between the University of Arizona Cooperative Extension and Yavapai County Community Health Services, Environmental Health Program.

Get Involved!

Come let your voice be heard!

Funding for the Yavapai County Food Safety Education Program is provided by the Yavapai County Board of Supervisors.

The University of Arizona is an equal opportunity affirmative action institution. The University does not discriminate on the basis of race, color, religion, national origin, age, disability, veteran status, or sexual orientation in its programs and activities.
YCFSIC PURPOSE

The purpose of the Yavapai County Food Safety Industry Council (YCFSIC) is to identify and address food safety issues in Yavapai County.

The YCFSIC serves in an advisory capacity to the University of Arizona Cooperative Extension and the Environmental Health Program of the Yavapai County Community Health Services (YCCHS).

GOALS OF THE YCFSIC

1. Identifies food safety education needs of the food service industry and recommends educational programs.
2. Assesses current food safety education programs and county impacts.
3. Reviews existing and proposed food policies in the Yavapai County Health code and makes recommendations to the YCCHS, Environmental Health Program.
4. Assists as a communication bridge between YCCHS and the food service industry.
5. Provides input through YCCHS on state and local food safety initiatives.
6. Provides input on content and quality of the Food Safety Newsletter.
7. Promotes and maximizes food safety.

ABOUT THE COUNCIL

The Food Safety Industry Council was established through a partnership of the University of Arizona Cooperative Extension and the Environmental Health Program of the Yavapai County Community Health Services (YCCHS). The Council is an advisory board of the County Board of Supervisors. There are 15 members appointed to the Food Safety Industry Council. Each BOS district has 5 representatives. Nominations are submitted to the Food Safety Industry Council for consideration. Nominations are then submitted for official approval by the Board of Supervisors.

Members of the Food Safety Industry Council represent restaurant owners, food managers, other food service operators, and consumers. Ex-officio members include The University of Arizona Cooperative Extension, who represent academia and provide on-going research and education in the field of food safety, and the Yavapai County Environmental Health Program which represents regulatory.

COUNCIL MEETINGS

Meetings are held 6 times per year. Meetings are on the 2nd Monday of every other month. The meetings are open to the public. Check the University of Arizona Web site for date, time, and locations of meetings at:
