Yavapai County 4-H Agent
“A Real Catch”

The University of Arizona Yavapai County Cooperative Extension team welcomes its new Assistant/Associate 4-H Agent, Stephanie Shank. Stephanie began her new duties on February 26 and is housed at the Cottonwood office.

“It would be hard to find a person more deeply involved in 4-H than Stephanie,” according to Pamela Denney, 4-H Program Coordinator. “Her varied training, leadership and experiences all point to a person who has dedicated much of her life to the 4-H Program.”

In her previous position as Assistant Extension Educator (4-H) for Gem/Boise County, Idaho, which she held for the past ten years, Stephanie supervised four employees and 62 volunteer leaders in 4-H youth and volunteer development and educational programming. With a Bachelor’s degree in Biology and a Master’s degree in Family and Consumer Science, she has a varied academic background well suited to meeting the demands of an ever-changing 4-H Youth Development Program.

Even more varied are Stephanie’s many achievements, interests and life experiences. Her certificates and licenses include National 4-H Shooting Sports Certified State Coordinator, Master Food Preserver/Food Safety Advisor, and National 4-H Sports Fishing Certified Instructor. Her major areas of specialization are 4-H Youth Development and Volunteer Management. She has been involved in training and workshops dealing with archery, crafts, community service learning, cooking, entomology, horses, leadership, nature study, rifle instruction, and team building, to name a few. She has co-authored publications on cake decorating, Dutch oven cooking, food preservation, scrapbook and card making, pack goats, and small animals.

Stephanie’s particular love for entomology (the study of insects) brings an added dimension to the 4-H Program. Not only will she share her knowledge and joy of bugs with 4-H’ers and the community at large, but she brings with her an extensive lifetime collection of over 20,000 mounted specimens.

#1 - Reminders for Expo Exhibitors:

- Livestock areas must be kept clean
- You must be neatly dressed and/or in proper uniform while exhibiting small or large livestock in the show ring.
- You may only use appliances that are properly grounded and meet UL specifications.
- Review Premium Book for more details.

Remember the County Fair in September!

You can enter the County Fair as another chance to show off your talents and animals. Those of you with animals its a great please to practice; those of you who have indoor exhibits, we are very much in need of a strong showing in that arena. There are great prizes including some cash pay outs from the County Fair people. The indoor exhibits also give out some cool looking plates, and it’s a lot of fun also. Questions???? Contact Elizabeth Lind, Indoor Exhibits, 4-H, County Fair Supervisor @ 928-583-0250.

Don’t forget to sign up for HERDSMANSHIP at EXPO ~

Special awards will be presented in each large livestock department to the club or chapter that best exemplifies cleanliness and the educational element of EXPO—to teach the public about animals and agriculture and the high caliber of people associated with them. An overall perpetual plaque will be awarded with a smaller plaque going to the winning club/chapter. To qualify for Herdsmanship competition, the following criteria must be met:

1.) Each project club or chapter must sign up at check-in.
2.) Each pen must be labeled with a stall card as issued by the EXPO committee.
3.) All club/chapter displays **must be up and ready no later than 8:30 a.m. Thursday, April 26, 2007 and remain in place until 5:00 p.m. Saturday, April 28, 2007.**

Record Books are due May 24 for review and award recognition at the County Level. Please note this is a change from the past. More information to come in the next newsletter regarding Awards and Recognition Reception.

COMMUNICATE! COMMUNICATE!

With EXPO upon us, parent support and involvement is a necessity. 4-H leaders must THINK Ahead; plan for your club needs at Expo and ask family members to become involved. Be specific with details. What are you asking them to do, when and where? Most people are willing to help if they are only asked. As EXPO approaches, let’s remember to communicate.

LEADERS: Communicate with members: be sure they have project & EXPO information.
PARENTS: Communicate with leaders: be sure your child is ready for county activities & fair competition.
LEADERS: Communicate with parents: let them know how much the 4-H members need their support.
PARENTS: Communicate with your children, make sure they complete their projects.
EVERYONE: Communicate with your County 4-H Extension office if there is something you don’t understand.

It takes all of us to make 4-H happen and remember, communication is a two way street.
Proper Methods of Contacting a Buyer

Pre-Contact - It is important that personal contacts not be made "cold". In other words, first send letters of introduction to a list of prospective contacts. Tell them in your letter you will be giving them a phone call and "...would like the opportunity of setting up a time when you can meet with them personally..." After a week has passed, call the business/owner. Indicate you would like to set up a time when you can meet personally with the individual to give them important information about yourself, the 4-H program, and EXPO.

1. Make sure the proper person is contacted.
   ♦ The store owner - Not the Janitor!
   ♦ The manager - Not the Secretary!
   ♦ Come back later if they are not in - Don’t talk to the Assistant!
   Suggestion: "Is the owner available?
   ♦ I am (your name) of the (your club) 4-H Club."

2. Your introduction to the proprietor or individual.
   ♦ Look directly at the person and speak loudly and clearly to them.
   ♦ Practice your introduction at home before family/friends.
   ♦ Make sure that you are speaking to the correct person.
   ♦ State your name and club.
   ♦ Smile and be friendly!

3. Explain your purpose for wanting to talk to the prospective buyer.
   ♦ Tell them what purposes are accomplished for 4-H and FFA at EXPO
   ♦ Tell them when EXPO is open to the public & the dates/times of your classes (showmanship/conformation).
   ♦ Tell them about our Website: www.4hffaexpo.org.

4. How the Buyer can use his/her purchase at the Auction: “The animal you buy at the auction will provide you with top quality meat. Your meat can be used in the following ways”:
   ♦ Personal Use: You and your family can enjoy quality fresh meat or go in with a neighbor or friend and each buy 1/2 of an animal.
   ♦ Restaurants and Markets: Advertise and serve meat raised by local youth. Use the 4-H/FFA Livestock Auction Picture in your menu and displays.
   ♦ Service Clubs, Lodges, Unions and other organizations: Put on a club BBQ. Donate the meat to charity. Auction off packaged meat to members or others to boost the club treasury.
   ♦ Business Concerns: Present packaged meat to your best customers or use in promotional campaigns. Put on a BBQ for your employees. Ideal as gifts.

5. Explain ways to support 4-H/FFA Exhibitors: “If you would like to attend the Auction, it will be held Saturday, April 22 at 12:00 noon. It will take place at the Prescott Frontier Days Rodeo Grounds. Anyone can bid.” You are welcome to attend the auction without bidding. A sales order catalog will be given to you upon arrival listing the animals to be sold, sale weight, the exhibitor and his/her organizational affiliation. Bids are made in dollars/ cents per pound (with the exception of rabbit or poultry meat pens and handcrafted items, which are sold by the pen, head, or item). If you wish to bid on an animal, hold up your hand. If you are successful, a runner will take down all pertinent information from you. The animal goes to the highest bidder.
   ♦ You can bid by proxy. If you are unable to attend the auction, but would still like to purchase an animal, simply fill out the Absentee Bidder/Add-On Donations Form and mail to the Cooperative Extension office. A member of the 4-H/FFA Livestock Committee will act as your agent and bid for the animal or animals you choose for up to the maximum bid or total amount you have authorized. If your bid is successful, you will be notified by the Committee so payment arrangements can be made.
   ♦ BOOSTS! If you don't think you want to purchase an animal, but would still like to help out a 4-H or FFA member, you can place a set dollar amount donation towards a particular 4-H/FFA member's animal. You can do this via mail by filling out the Absentee Bidder/Add-On Donations Form* and send a check for the specified donation amount to the Cooperative Extension Office, or you may make a donation in person during the Auction at a table which will be set up for this purpose.

6. Explain how the Buyer can handle his purchase after the sale.
   ♦ Select a processor to slaughter, cut & wrap his purchase. The processor will call the Buyer for his cutting order. When meat is ready, the Buyer will be notified to pay the slaughter & processing fees when the meat is picked up.
   ♦ Purchase, then resell the animal to a commercial packer at current market price. The difference between the purchase price & resale will be the actual price the Buyer pays on Auction day. The current market price for each specie will be printed in the Sale Catalog.
   ♦ Choose to pick-up your purchase live after the sale. The Buyer may pick-up live (or arrange for pick-up) and handle his/her purchase as they wish.
7. Invitation to the Buyer for the:
   ♦ Show: Tell them the time you will be showing your specie(s) based on published fair schedules.
   ♦ Buyer’s Appreciation Barbeque - Saturday, April 22 from 11:00 a.m. - 1:00 p.m.
   ♦ Sale: Let them know that they may talk to 4-H and FFA members and view animals for sale Saturday morning any time before the auction (rather than saying, “Please come and buy my steer. “Say, “My club/chapter members and I would really like to see you at the EXPO this year.”
   ♦ Thank the Buyer for his/her time.
   ♦ Remember to leave a brochure and Absentee Bidder/Add-on Donations Form

DRESS CODE:
   ♦ Be clean and neat for your visit. Wear nice, business-like clothes. NO GRUBBIES!
   ♦ Remember - Your first impression should be your best possible presentation.

NOTE: Be ready for questions! Know pertinent info about your project!

Ten Commandments for Parents of Youngsters Showing Livestock
1. Thou shalt not feed, train and care for the animal for thou art trying to teach the child responsibility.
2. Thou shalt forgive the child for making mistakes in the show ring for thou hast made mistakes too.
3. Thou shalt not get mad when the child forgets items in the showbox, for one day thou might forget the show box.
4. Thou shalt help the show management for they are doing a job that thou would not want to do.
5. Thou shalt see that thy child I on time for all show activities for thou would not want to wait on another.
6. Thou shalt make sure thy child has animals entered and registration papers in order by the designated time.
7. Thou shalt teach thy child that winning a blue ribbon is a desirable goal but making friends on the way is a more worthy goal.
8. Thou shalt not complain about the judge for it is his opinion that has been sought.
9. Thou shalt remember that livestock projects are teaching projects, not necessarily money-making projects.

Thou shalt remember that the livestock project is a family project that should be enjoyed and supported by the entire family.

Gentry Waller & Ricky Salgado
Congratulations to Katie Radosevic of the Cornville Conquistadors for being selected as an Arizona 4-H delegate to the National 4-H Conference. The 2007 Theme is "Our Changing World". The theme reflects the question, "As the world changes, how do we continue to enhance the 4-H Youth Development Program to ensure we are being socially significant and relevant to meet the needs of young people today?"

The National 4-H Conference is a working conference in which youth and adults, at the invitation of the Secretary of Agriculture, assist in the development of recommendations to help guide 4-H Youth Development Programs nationally and in their communities. This event brings together youth, volunteer leaders, and state and county extension staff members from across the United States, U.S. Territories, and Canadian Provinces.

As the sponsor for this conference, the National 4-H Headquarters, and Nutrition at the U.S. Department of Agriculture's (USDA') Cooperative Research, Education and Extension Service (CSREES), is charged with sharing the recommendations that emerge from the conference with the Secretary of Agriculture, national extension program leaders, and others who determine 4-H programs. At the same time, we want to ensure that the conference is a meaningful experience for the you and adult participants. The conference dates are Saturday, March 24 to Thursday, March 29, 2007, and Capitol Hill Day is Wednesday, March 28. The National 4-H Conference is housed at the National 4-H Youth Conference Center in Chevy Chase, Maryland. The Conference Center is operated by our private partner, National 4-H Council.
