There once was a boy won some ribbons of blue; came home from the fair with a big trophy, too. With a voice glad and proud, he said to his dad, ‘tis the very best year that I’ve ever had.” Said his very wise dad, “Son, I’d like to hear, why you think that this was such a very fine year.”

“Why dad, you well know all the prizes I’ve won; how I’ve come out on top in most things I’ve done. Just look at the ribbons that hang on my wall, and think of the money I’ve made since last fall. From premium checks and big auction price you can’t help but think cash and ribbons are nice.

But the man said, “My son, you’re not thinking right. Blue ribbons, ‘tis true, are better than white; but ribbons will fade and trophies grow old, money’s soon spent and fame soon grows cold. The important things, son, are not ribbons or pins, and sometimes it’s really the loser who wins. Now here are the things most important, its true, your 4-H experience has accomplished for you.”

“You’ve seen how a business meeting is run. This knowledge will help you in years to come. You’ve conquered the fear of addressing a crowd. You’ve learned how to stand up and talk nice and loud.

“Patience you’ve learned in your project, too, as well as some skills that will always help you. You’ve learned the fond feeling it gives you to lend a glad helping hand to a stranger or friend.”

You’ve learned to cooperate with majority rules, to give in with grace and not be the fool who must always have his very own way, be it in club work, in school or at play.”

You’ve learned how to lose without making a ‘beef’. You know the judge judges to his best belief. You’ve learned how to win without boasting too loud. A kid can lose friends if he’s overly proud.

“These are the things most important to you. You’ll remember and use them all your life through. They’ll help you become a mighty fine man. They’ll do more for you than a prize ever can.

Thank you Lindsey Kesterson for sharing this awesome poem. My question to each of you now that Expo, the Verde Valley Fair and the County Horse Shows are behind us, what did you win?

Pamela L. Denney
Instructional Specialist, 4-H
Thank you, thank you to everyone who helped to make this year’s 4-H/FFA Expo a huge success. The Prescott Frontier Days Rodeo Foundation and the Yavapai County Facilities employees went out of their way to help us with whatever we needed regarding setting up and turning the grounds into an awesome exhibit area for all aspects of this year’s show.

**Ray Robl** did an outstanding job of planning and implementing the set up of all the various exhibit areas. I am still in awe of what he and his crew of volunteers were able to accomplish.

**Ken Vargha** spearheaded a very successful effort obtaining donations from various businesses throughout the community to cover the costs of the awards presented and other costs associated with Expo. We can’t thank these various businesses enough for their support of Expo.

**Cindy Watkins** worked diligently with Dean Fish, Jodi Padgett, Jeff Schalau, the auctioneers and a host of others, to make sure that the auction ran smoothly. To date this was our most successful auction bringing in over $250,000.

A special thank to each of our superintendents, **Kim Michael/John Cometh-Beef**; **Paula Levine-Dairy Cattle; Nancy Robl-Goats; Malia Miller/Ryann Ferguson-Sheep; Rhiannon Cometh/Ray Robl-Swine; Patti Marrs-Small Stock; Shaunla Heckethorn/Jeri Holton/Molly Wisecarver-Dog Show; Marsh Cometh-Horse Show; Craig & Lisa Dotseth-Herdsmanship, Susan Ryant-Indoor Exhibits, Elissa Buesse-Large Livestock-Round Robin and Ramona & Dave Sanders-Bar-b-que. **Barbara Killian** did a great job of overseeing the Resale process. **Nina Hallan** in spite of working in Phoenix got the ribbons and other awards ordered. **Charlcie Gill** thank you for taking the website to the next level and working on the premium book from Oregon.

Thank you, thank you, thank you to all the parents, leaders and members who pitched in and helped when and where needed. This event would not be possible without the help and cooperation of all of you.

Members, if you have not done so already please make sure you write and send your thank you notes. Remember the buyers are paying much more per pound than they normally would because they are supporting you and your efforts.

This year my fear was not whether we could pull everything off, but rather, whether we would be able to meet the expectations we had set last year. As far as I am concerned we far surpassed them.

4-H Record Books-Don't Wait Until the Last Minute!

A key component of the 4-H educational experience is learning how to keep and maintain records of your 4-H project(s) and activities. It is also one of the requirements for successfully completing the current 4-H year. Not to mention it is a skill that you will use throughout your life.

At minimum you must turn in your completed record book to your community club leader before the end of the 4-H year, which is September 30th. Check with your leader for their deadline for submission. In addition, everyone is strongly encouraged to submit their records for judging at the county level, which will occur in October. It is from the record books submitted from judging that County Award winners are selected.

Your 4-H Record Book should tell the story, and accurately, of what you have done, with emphasis on growth and development in the main project area, leadership, citizenship and service to others.

For more information please check out the Yavapai County Cooperative Extension website at www.ag.arizona.edu/yavapai. Click on 4-H and then look for information regarding forms available. The Record Book Guidelines are posted there or can be obtained from either 4-H office.

Building Your Presentation Skills through a Demonstration, Illustrated Talk or Public Speaking

Each member is required to do a demonstration, illustrated talk or speech during the 4-H year as part of their membership completion requirements.

Demonstration:
A presentation in which an individual or team shares some aspect of skills gained through project work. A demonstration “shows how”. The presentation requires the use of props and may be enhanced by the use of posters. The individual/team is judged upon appearance, assurance and knowledge.

Illustrated Talk
A presentation in which an individual or team shares knowledge gained through research of a specific topic relevant to their project work. An Illustrated Talk “Tells How”. The presentation requires the use of posters and props. The individual/team is judged upon appearance, assurance and knowledge.

Public Speaking
The member presents a “Planned Speech”, based on a topic or theme. The member is judged upon appearance, speech content, validity of speech, and depth of understanding of the topic.

At the Verde Valley Fair this year the following members gave illustrated talks and speeches.

Heather Liggett-Swine Breeds

Congratulations to these members that shared their presentation skills with their community.

Western Warehouse- Power of Youth Fundraising Drive

During the months of April and March Western Warehouse Stores throughout the country raised funds for 4-H Youth Development Programs.

The store in Prescott Valley did an outstanding job in their efforts on our behalf. We would like to extend a big thank you to both Cheryl Keltner and Craig Malone, store managers for the money they raised.

They would like to continue to support both the 4-H and FFA groups throughout the county by providing any Club/Chapter who wishes the opportunity to conduct a car-wash, bake sale or other appropriate fund raiser at their location in Prescott Valley.

Western Warehouse Offers 15% Discount to all active 4-H/FFA Members

Western Warehouse in Prescott Valley is offering a 15% discount on the total purchase of items when you let them know that you are currently an active member of Yavapai County 4-H or any Yavapai County FFA Chapter. This offer is good throughout the year.
